

## NOTE TO DELEGATIONS

### ACCOMMODATION FOR THE SIXTH TOKYO INTERNATIONAL CONFERENCE ON AFRICAN DEVELOPMENT IN NAIROBI, KENYA

Please find below a communication from the TICAD VI SECRETARIAT, dated August 2016.

---

Following the information contained in document \*\*\*\*\*, the TICAD VI SECRETARIAT is pleased to provide detailed arrangements for accommodation during TICAD VI SECRETARIAT. This note contains the list of recommended hotels, and the Central Hotel Reservation Office (Contact Official) and registration form.

In order to consult the exact location of the recommended hotels for TICAD VI, please refer to the following link:

The Kenyan authorities would like to inform delegations that the National Police Service has a security Standard Operating Procedure that they will implement from the arrival of delegations until their departure. Should an emergency or urgent matter arise, the Kenyan Authorities have a National Disaster Operations Centre that handles evacuation by land and air. The list of hotels where delegations are accommodated will be transmitted to the National Police Service who will provide reinforced security for all these areas. Detailed information about security will be provided at a later stage.

The TICAD VI SECRETARIAT fully respects the equal status of the official languages of TICAD VI. However, given the relative shortage of people proficient in other languages other than English in Kenya, the processing time for enquiries in other languages other than English will inevitably take longer. It will also be more difficult to ensure accuracy. Therefore, it is recommended that delegations, to the extent possible, nominate an English-speaking contact person to communicate with the Ministry.
